

Prophecy given through Joseph Samsa - May 8, 2015 (During Friday Night Freedom Service)

"My children, I want to impart to you tonight. I want to impart a truth to you tonight. I grieve with the loss of life. I grieve with the loss of potential. I grieve over my children's shortcomings. But that's not the truth I want to impart to you.

I am the God of all comfort. I am the God of all comfort. I am the God of all comfort! The enemy uses situations to wound you in your spirit, in your soul. And too often, my people, they comfort themselves NOT with my Spirit. They comfort themselves with clichés. They comfort themselves with words that are from the flesh.

But I have given you a Comforter: the One to come along side of you. The One that is there in every situation! He is not there just to weep with you. He can comfort you in the heat of battle! How do you think My Children, when they were whipped, could rejoice in the suffering of Christ? Because My Spirit was there comforting them! My Spirit was there in the heat of battle! Through the ages my Spirit has been there for My People... the Comforter. So do not rely upon your strength to comfort yourself or others. Draw upon My Spirit! In the days ahead there will be troubled times and the enemy will try and wound you! He will get you to try to look inward in your life, but My Spirit has come alongside of you. Lean on Him! Lean on the Spirit I have given you! Lean on the Comforter and you will receive Supernatural comfort. Then you will be able to comfort others with the comfort that I have given you! And my Word will spread and My People will be strong because they have been comforted by My Spirit...."

Isaac Gonzales ('Intimacy with the Holy Spirit' Service) June 7, 2015

Isaac: We don't have idols that we worship, we don't have statues. We don't have images. But we've got one thing that we worship almost daily: and it is 'I'. Us. Me. Mine. Myself. Just think about this: every conflict, every problem, every division involves what I WANT. What I DESIRE. SELFISHNESS.

Step back 'I' and see what happens when you get intimate with the Holy Spirit. Step back 'I'. 'I know!' 'I want!' 'I desire!' 'I know!' Step back. Quit worshiping that idol... that image. And let the Holy Spirit do it in your life. We're going to see Great things Pastor, once we do that.

In Philippians 2 it says Christ EMPTIED HIMSELF. You got that beautiful people? Emptied Himself of what was really rightfully His... to be God! But He emptied Himself! He died to self! And accomplished Great things! Accomplished unbelievable, Great things! We know what He did! That's why you and I sit here. I'm talking about those that I love over there! (points to his family)

Those that I love over there: It's TIME that you and I empty ourselves of 'I' and say 'God, here I am!' Not what I want, not what I desire, not what I think! I'm pretty intelligent, I know all these things... But I'm thinking this morning just EMPTYING ourselves. Quit worshiping that 'I' idol - 'Myself, mine, me and I'. Like a pyramid.

And church, I will say that to all of us this morning, fall on this altar and practice what Pastor has been teaching this morning... getting intimate with the Holy Spirit and unbelievable things will happen in this body, in our surroundings and wherever you go in this world... **THINGS WILL HAPPEN!**

Bill Horn (Chariots of Light Service) JUNE 11, 2015

"You keep pressing in, you keep pressing through... and I will show you what I'm going to do! This is what I've called you to do: come together and pray. Be together and stay. Come together in the Unity every day. It's not a 'one time' thing. It's not a 'every once in while' thing. This is your life. It's every day. Keep pressing through. Keep pushing in. I'm going to show you every power, every principality that has been placed over these places. I will show you them and they will, will, will come down. There is holy, holy, holy, holy ground here. It's My ground and I will have My Way. Because My People are called to pray. You asked Me to move... just let me move."

Bill: He said He would visit every hungry heart. Every hungry heart... visit.... but you've gotta keep pressing through. You've gotta keep persevering. You've gotta keep coming together. There's something about when we come together that changes things. It's going to change our country. It's going to change this world when we come together.

Randy Stone (Chariots of Light Service)

Randy: What I see is a fresh wind that has come through. It's almost like when you see a storm front come through. When you see the wall of that storm and that it is going to come through and as we keep doing, as you said 'to pray and to come together' that is just going to push the enemy out and will 'uncover' like when a fire goes through. It will uncover things and will be able to take those things out and we'll be able to see them where, they are hidden now, but after this wind comes through it will burn them out so we're able to see what it is that we need to pull out. It will be really apparent. It is a fresh wind, a fresh fire, a fresh wind that is going through here and maybe even the country... but we'll see it.

Bill Horn looks at Pastors Vern & Mary and says...

"Listen: Do not be concerned at all about those that aren't with you. They aren't with you. Be thankful for the ones that are because they are the ones that 'come together'. Don't be moved by those things. Don't be moved by those. Don't be moved by what they say – just pray. Don't be moved by what they do. Don't be moved by what they say. Just don't be moved. That came up in my Spirit because you're pushing through. And when you're pushing through, then they move. If you're not pushing through, then you'll be moved. Do not be moved. Because their job is to try and move... but YOU ARE THE MOVERS."

Dwayne shared:

Dwayne: "In Ephesians 4 it first talks about the 5 fold gifts and their purpose. First for the equipping of the Saints, the edifying of the Body of Christ and bringing it into UNITY in verse 13. For what purpose? Well if you read down: it's the Return. Jesus is coming back for His Bride and there is no distinction between one church or the other church. THE Church. So this is end-time, this is end time ministry. This is an endtime call. It's all part of it and this is confirmation for you and this area. What an opportunity for all of us to be a part of this for such a time as this!"

**Word from the Lord given through
Felecia Frey – June 14, 2015
(During “Calling on Fire” song)**

I feel that the Lord is saying

“Do you really want my Fire? Do you really want what My Fire will bring?”

Felecia: I see a picture of a dark heart and God is saying...

“It’s going to be painful because if My Fire comes I am going to rip out of you the things that do not bring glory to Me, the things that do not bring glory to My Kingdom, the things that distract you, the things that you not showing up to Church, that keep you from coming to services, to Worship and to Prayer. If you’re calling on My Fire, I will rip those things out of you! Do you want it? Do you really want my fire?”

Felecia: I saw a black heart and then a flame bursting from within the heart. Then I saw God’s hand reach in and literally rip out darkness. What I feel He is impressing and what He is saying is: we want Him to do things in our time and when we’re ready. ‘Oh, just take your time with me God...I’m working through this issue... I’m working through this....’ And He is saying: ‘No, I want to rip it out now. I want it done. I want to reach my hand in and rip it out.’ And what it is going to leave is a wound in the heart that only God can heal, and bring new life and new skin. He wants that! He doesn’t want to take His time... He wants to rip it out.
