

Casting Out Demons

Outline for casting out demons:

- #1) Determine if a demon is present. (What makes you think a demon is present? Let's not get Weird.)**
 - > For me: typically there must be some kind of manifestation before I conclude a demon is present.**

a. The most common manifestations are through the persons eyes. The eyes are the lamp to the body (Luke 11:33-36) which is the temple that the spirit lives in (If they are in the body, you can generally see them looking out of the persons eyes.)

- You see them looking at you through the persons eyes.**

- The pupils of the eyes constrict to very small, or dilate and become large for no apparent reason. The pupils can do either one and remain there, or they may go back and forth from large to small.**
- The pupils or the entire eye turns black, or the pupil becomes elongated like a cats or snakes eye.**

b. The demons speak, growl, hiss, grunt, etc. - at you.

c. The person is seeing or hearing a demon (at night, etc.)

- To see / hear a spirit being we need spiritual help. We can do it either through the Holy Spirit or a demonic spirit.**

- **If a person is seeing or hearing a demonic spirit, and it's not by the Holy Spirit - the person has demons. That's how they have the ability to see the spirits.**

d. If the person is being touched, attacked, molested by a spirit.

- **Again, for them to have access to you from the outside, there is a demonic spirit on the**

e. The person is blacking out / losing consciousness and unaware of large periods of time.

f. The demons begin manifesting and using the body as it was their own (Talking, Walking, Moving the body, Violence, etc.)

- g. There needs to be some type of definite manifestation to declare the person has demonic problems.**

It needs to be more than: I feel like they have demon problems, or the Lord told me they have a spirit or a spirit of.....

#2) Stay Calm.

- a. Demons feed off of / gain strength from anything that is of the Kingdom of Darkness. If you begin operating in any of these things - the demons will use the energy coming off of you to defeat you because you are now in the 'Flow of the Kingdom of Darkness'. The anointing that you are under, is not pure - it is mixed with darkness.**

- b. Things like: fear, hate, ungodly anger, your own personal sins, unbelief, etc. in you will hinder your ability to cast something out.**

#3) If it manifests: command it to go back down.

(Get it out of the brain, and stop it from manifesting)

- a. Speaking with demons is typically useless. They lie, are liars, and have no truth in them. (John 8:44)**

b. So from my experience: 95% plus of the information you get from them is somehow going to be a lie, and deceive you. The other 5% - you will need to extrapolate the truth that's hidden in what they say.

c. The demons that manifest are rarely the Strong Man. They force the weaker demons to manifest so they can mislead you, distract you, deceive you, and try to keep you from getting to the Strong Man.

To engage with them simply becomes very frustrating and a waste of time.

#4) If there are a few people who know what they are doing, you can work together.

If not, one person should take the lead, otherwise it will become very chaotic and confusing.

#5) Get physically close to the person.

a. Love moves close to a person. Fear distances itself. If you stay back because of Fear, they will feed on the fact you are now 'Flowing in their Kingdom'. You will very likely not get them to obey you. (See #2 - above)

b. You don't have to lay hands on them like you are going to pray for them. (Demons are cast out by our words, not by laying on hands)

#6) Lead them in James 4:7 - concerning all curses / demons / the Kingdom of Darkness.

(The person should do the renouncing and commanding everything to go)

#7) State your position and authority.

- a. I'm here in..... Covenant and the Blood of Jesus.**
- b. Through the name of Jesus and my words of my mouth I step into my authority over you.**
- c. By the finger of God (the Holy Spirit) you will be driven out. (Luke 11:20; Matthew 12:28)**

#8) Cut off any Generational Curses. Separate the curses and their power from the person and their lineage.

(Verbally say: I cut off any Generational curses....)

#9) Bind the Strong Man (men) and their Kingdoms and every demon / evil spirit that God wants to go right now. Bind them as the Holy Spirit Sees, Knows, and Numbers them. (You are not letting any run and hide anywhere, and you're tying them all together as a unit to be cast out)

#10) Loose the power of the Holy Spirit, the angels, and anything else God wants to use from his Kingdom to set the person free and loose the person from the curses and the spirits.

#11) Announce what will happen - the spirits will go.

- a. I state that reconciliation will be offered to them, (Col. 1:15-20)**
- b. If they refuse, they will go to the abyss/pit. (Luke 8:31)**

#12) In the name of Jesus: command them to go. (Release your faith. Release it from your belly area. The core of our spirit is in our belly area.

(Proverbs 20:27)

#13) The Holy Spirit instructed me to address any Residue & Residual that would be left behind and remove it.

a. Residue / Residual is any evil they try to leave behind that will continue to plague the person.

b. Residue / Residual are things like:

•Sickness, Disease, Physical Damage, Pain, Infirmary, Weakness, a Connection/Line to move things in and out of the person, some evil that will continue to affect the person.

#14) Pray for the Holy Spirit to fill this area that has been vacated by the spirits, and for the person to mature into it and fill their temple.
