*"For God so loved the world that He gave His only begotten son - the Supernatural follows giving that is prompted by love. My son came to this world because of love and the supernatural*

*followed that expression of love. To operate in the Supernatural you must do it by love - it's that simple. Love will cause the Supernatural to manifest - it's that simple.*

*I didn't have to save this world and mankind. I was under no obligation. Nothing compelled me to do it but one thing, my love for the human race. I just want the best for you.*

*That is the distinguishing characteristic of love. I want the best for you. That characteristic flows through every thought, every decision, every action - motive, intention and every memory. I want the best for you.*

*Love will cause you to do what you consider an inconvenience. I loved, I wanted the best for you - that's why I gave. Love will cause you to spend time, energy and resources on things,*

*people and relationships that you originally were not planning to do. I've had to give far more than my original eternal plan because I want the best for you. Because of sin: with that love comes heartache, disappointment, emotional upheaval and pain. But I'm willing to deal with all of those things because I just want the best for you. I hate a proud look, a lying tongue, hands that shed innocent blood, hearts that devise wicked imaginations, feet that are swift in running to mischief, a false witness that speaks lies, and he that soweth discord among the brethren. I hate these things because they destroy what they come in contact with. I just want the best for you because I love you."*

*VERN: (Deuteronomy 21-23 talks about how we put God into emotional pain via our sins).*

*“In selfish pride, My people actually think they can please me and remain in step with my Spirit even though they do something different than what I've asked.”*

*VERN: (There He is talking about the Orphan spirit)*

*"They actually believe they know the answers and the way to do things even though they haven't heard from me. Because of the sin of selfishness, the Supernatural doesn't flow in my people as it should. You measure what you do by how much it will inconvenience you because you choose not to walk in love. Even though my love has been shed abroad in your hearts - you will ignore it's promptings because of your selfishness. If you follow the promptings of love - wanting the best for other people there will be times it will inconvenience you and your plans and your desires.*

*To flow in the Supernatural you will need to love so that you will be willing to inconvenience yourself and give. Love will cause one to risk it all - like my Son coming to be your Savior."*
