“My people it has begun! I am so excited for you and with you, and for those that are coming to me! It has begun - the moving of my Spirit in your midst the way I desire it. It has begun!”

Now I say people, run with me! Run with me in this! Do not sit back and look for what could happen. Join with me in your faith! Join with me in your expectation! I call this before the Father by faith. Call this with me! Come into agreement with me. Look for the blind eyes to see! Look for the deaf ears to hear! Look for the lame to be made well! Run with me on this! Run with me on this! I have things in mind that you are not thinking about. I have plans to go, that you are not entertaining and I need you to get in step with my Spirit and run with me on this. Run with me! The time has come to see my Spirit move on this earth. You have tasted the beginning of it. Now let's run together! Let's move together! Let's flow together! I need you be my hands. I need you to be my voice. I need you to be there for me and run with me! And we will, together, bring glory to the Father as this area has never seen!”
