Jim Isakson: (Gives A Message In Tongues)
Below is the Message That Followed:

“Oh Church of God - Arise! Come into the Light! Come into the Glory that I have prepared for you! Not for you just to receive that earnest of the Spirit in Salvation that we know. But now is the time for you to rise up. Let all the sin that easily besets you... let it fall off! Let it fall off! Because my Glory cannot rest upon a vessel that is filled with sin. Let the sin, let the shackles, let the bondages... let it fall off of you. Allow my Holiness and my Purity to come within you and also My Glory to rest upon you - so that you may be witnesses. So that My Glory may come on you and your face would shine with that Glory that I have designed and prepared for you since the day of creation. Do not be weak. Do not be weary. Do not hold back. I want you - I desire for My Church to come up and to be that Holy, Blameless, Pure Bride. And it's time for My Bride to come out! It's time for My Bride to rise up and to be that Church of God - to be what it was meant and intended to be. I'm coming for you Bride, I'm coming for you Bride! Are you ready? Are you ready? Have you prepared yourself? Or are you just sitting back... lazily reclining? Sleeping? Slumbering? Saying to yourself, 'Oh I have it! I have Salvation! I'll get in! Selfishness. Selfishness. Pride. Arrogancy. Laziness. Slothfulness. This is not the Bride that I have come for. Take off the veil! Take off the veil that has come upon your eyes so that you can see the Great and

Mighty things that I have called you to do! Take off the veil. Take off the veil. Layers and layers. Layers and layers and layers of veils. Deception. Religion. Lies that you have taken in. Lies where you were taught... but its not My Word... it's not me if it's not filled with Power. If it is not showing forth My Glory to this earth - because there is coming a time and a day where that Glory will cover the earth. My Glory will come. It will happen. It has been prophecied and it will take place that My Glory will and shall... and it is proceeding now, to cover the earth. Will you be a part... will you take part in this Great harvest of mine? Will you take part in opening the eyes of the Gentiles... in opening the eyes of the heathen? What part do you play? Rise up oh Church...rise up oh Church from that slumber... from that sleep. Rise up and begin now... now... for now is that day of Salvation. Now is the time to change your thinking... in changing your attitude. Because you have experienced, through these last days, you have experienced more and more and more of my Glory coming upon you! You do not have to wonder - you have seen, you have heard, you have experienced My hand upon you... My Glory upon you. Receive it now... receive it now! And do not walk away faithless. Do not walk away full of doubt or unbelief. But come... come...and let's work together. Come, come, come, come, come. For I see that sickle, I see that sickle rising up. I see that harvest field that is white unto harvest and I'm calling forth for the laborers to come and the sickle is being raised! And the days are short and the time for the harvest is now, now, now! Laborers where are you? Laborers come! I don't want one kernel of the harvest to be lost. Come, come, come, come, come, come, come, come.....”
