"I have called you before the foundation of the Earth to walk before me and be holy and be blameless, to manifest My glory on this Earth, I have told you about the Kingdom and manifesting the Kingdom and everything that has to do with the Kingdom on this Earth. Now I tell you how that is done, walk before me and be blameless, walk before me and be holy. Concentrate on My holiness and on what I am, and come to that Holiness, to that standard of righteousness for I am holy. There is none above me, there is none like me. That is just a fact. And I call you to that holiness. I call you to walk in that holiness and in that righteousness. I have called you and I have given you the ability through my son's death on the cross. I have given you the ability, the door is open through his blood to walk holy and to walk blameless before me. So I say again, walk holy and blameless before me. Set apart from this World, sanctified, set apart to me. Walk holy before me, and you will see my Glory."
