

**Prophecy - Sunday 10/03/04
(10:00 AM Service)**

"My servant has heard of me. He has waited upon Me to speak to you, and I want you to Listen! This is a moment where I am speaking and it is of value and you must listen, you must listen carefully. You are My very own. I have called you to this place. I have called others to this place and they will come. This is a place I have chosen. I have begun right here, right here in this place a work that is going on. You do not know what is happening. You do not know how My Spirit is moving, but what you must do is you must follow. You must look into My kingdom only. Look into My face. Look into My son's eyes; see what He has for you as his arms are extended unto you. Do not look into the enemy's territory, there is nothing there. There is nothing there My people. Do not look there! I do not use that, I do not come from there. I AM GOD! And I have My kingdom and I have My people, and I have chosen you. Look unto My kingdom only. Look unto Me only. What is ahead you do not know, but I will reveal to you, I will show you, but you must seek, you must look. You must ask of Me as I guide you. Greater things are ahead, greater things that you do not know. But I hold them for you only that you would experience My power, My glory, my abundance. This is for you. Only unto Me that you look. That you seek."
