

Prophecy given at Word of Life by Pastor Vern Peltz Saturday, October 8, 2011

“Time is about to spin up in movement and speed. The days are about to be shortened.

Some will be blessed, some will be judged. You (human beings) will determinewhich one it is...blessing or judgment.

Shockwave.

The righteous will prevail, the unrighteous will slip deeper.

No fear, no fear...again, turn it into victory.

Great sorrow, great pain, great distress and depression – harvest time.

3 months – be alert, be awake, be prepared.”

Pastor Vern Speaks

The Lord then pointed me to Romans 8:24 – “For in this hope we were saved...”. Revival will not come to this land until the people have a need. Salvation always is birthed out of a hope that God can do something to help us or change our situation. That’s why difficulties in society often lead to a turning back toward God.

“Again, turn it into victory” is referencing a Word the Lord gave us in August 2, 2006. I believe this is dealing with the current time we are living in. With the Lord’s help... many good things have come out of the current financial distress. So whatever is coming, the Lord is telling us to look to Him to lead us into turning it into a positive thing for His Kingdom.

I don't know if the 3 months is 3 months from now, a 3 month segment of time, 3 individual months spread over a half a year or a year. The Lord didn't say.

Now is not the time to become prayerless, slothful, & lazy - but to develop a sharp edge spiritually.

He just gave us a heads up...there is some dramatic change about to unfold in front of us. What do we do? Now is the time to get really sharp spiritually. Let's look for whatever thing this is going to be... watch for the effects of it. Expect that in our situations, our lives, and our church He's going to show us how to turn this into victory and not defeat.
