

Prophecy: 03/09/2025 (02:32:30-02:41:56)

Given by Pastor Igor Kondratyuk

An army, an army, an army is being raised up. Likened to Gideon, Likened to Gideon. An army, an army is arising. Liken to Gideon, liken to Gideon. A select few that are to go ahead. A forerunner for this generation. A company of dead men and women. A company of John the Baptists. A company of Jonah coming out of that whale. The Lord says Likened unto Gideon. That means few, that means few, that means few. The Lord says there is a window. The Lord says am I giving a window to be a part of this company, now. There is a window of the Lord that is given now to be a part of a company of dead men and women. God says you shall see, you shall see a wave and the first wave shall be a company of dead people. And the Lord says, I will send them out first. He says I shall send them out first to be as forerunners. God said I will put them on display. They shall be a display to the rest of the church world. He says the first wave shall cause the effect of the second. It will be a ripple effect. Listen, the Lord says listen. A ripple effect from the first. But there is a higher call, right now, the window, it's a higher call sath the Lord. It's a higher call sath the Lord. Very few like Gideon will obtain it. A forerunner. A man and a women as though on display. Humiliation and mockery shall be yours. They will humiliate and they will mock. A forerunner that would cause a ripple effect. It's to be a martyr like mind set. And God says, and in that my heart is moved. He says to him who over comes, shall sit on my throne. To him who overcomes the flesh. There is a window.

I know speak not as the Lord but I speak as me. There is a window that God is giving to this house right here. That God is giving to many houses across the earth. There is a window of opportunity to be apart of a company of dead men and women. And God says many will not obtain it. But he says I am giving my part by inviting you into it. The choice is yours. A company of John the Baptists is a rising. The Davids have come out of the caves. I said the Davids have come out of the caves and the Samuels are there, ready. Waves, the first wave, the window for the first wave to be a part of right now. It's right now. It's when you go home. What you do in secret is far more important than what you do in public. The public is the outpouring of your secret. You might fool man, but God cannot be fooled. You might posture your way that man will look at you and say, 'oh they're doing it' but God says, 'oh no, I see what they do in secret.'

Now is the time, now is the time, now is the time, now is the time, now is the time, now is the time. Dead men rising, dead men walking. A sifting, a sifting.

Listen, listen, listen, I hear the Lord say this, he's speaking to me as much as he is speaking to you. He says don't worry about the numbers. He says don't worry about the numbers. Don't worry about the numbers, for as Gideon I am selecting few. And the few will be the ripple effect. Listen, Listen, maybe you're asking the how, Lord, how? How this? How that? Are we going to have the workers? Are we going to have the people to fill these different places in the ministry? God said don't worry about the numbers. I never asked you to worry about the numbers. But as Gideon, a select few will be the cause of the greater.
